

FESTIVAL PANTIERO 2007

CANNES / DU 16 AU 19 AOÛT

Pantiero 2007...from August 16 to 19

The trendiest Festival of the South Coast

For the sixth year running, the Cannish summer will be under the international actual music's spotlight.

The Pantiero Festival, the now unavoidable meeting of the month of August, will again offer what is best in actual music. The attraction of Cannes, the extraordinary surrounding of the Festival, its history, as well as its always growing public, constitute so many trumps for the artists, that the most trendy want to be here. The 2007 edition will be marked by the large presence of electronic music played on the terrace of the Palais, the tops of the last 10 months being very rich in this kind of music.

The program, which is to be finalized shortly will again be very interesting, mixing young talents and renowned artists. We can already count on the presence of the Canadian **MSTRKRFT**, the Brazilian **UFO CSS (Cansei de Der Sexy)**, the French **Vitalic**, **Teenage Bad Girl**, **Justice** or even **Wax Tailor**, **Herman Düne** (France) **Dilated Peoples** (United States) **Cut Chemist** (United States) **Teenage Bad Girl** (France) **Princess Superstar** (United States) **Digitalism** (Germany) **Buraka Som Sistema** (Portugal)...
